Dear Patient,

We feel the best thing about our style of dentistry is our commitment to quality. If you've been with our practice a while, you already know our attention to detail and fine materials are second nature to us. But everyone's financial situation is different. And good dentistry won't count for much if it is beyond your means.

We work with most dental insurers. Carriers vary, but we'll try to help you get the most benefit out of your particular policy. However you are responsible to know your plan and its benefits so feel free to call them. Please keep in mind you are responsible for your total obligation should your insurance benefits result in less coverage than anticipated. We do ask that you pay your portion at each visit.

We accept visa/master credit cards and, if you qualify, we'll work with you to devise a method of payment amenable to us both. We also work with outside financing company "Care Credit" so please ask us about it.

We kindly ask you to give us at least 24 hour notice in case of cancellation of your appointment. If less than 24 hour notice is provided it will be considered a missed appointment. Any missed appointment will result in a \$60/hour charge. (i.e. For a 2 hour missed appointment, there would be a charge of \$120). A \$25 billing charge will be assessed for late payments for each monthly billing cycle.

If you share our belief in quality dentistry--the best dentistry we can possible do--then we'll find a way to make it part of your life.

Very truly yours,

*Jason Koh, DDS*
